Dear Sir or Madam

When I saw announcement in website Metfone.com, I am very pleased for having chance to apply CL for the position of Network Connector at your best company. I am very interested in this position because related to my experiences and field at University.

I am an Associate Degree of the Organization of Passerellesnumeriques Cambodia, but I have 2 years' experience in System Network Administration (SNA). For my seconds year at Organization. I have many experience with Web developer, Designing, and Networking Administrator.

Furthermore, my knowledge of computer application (internet, E-mail), interpersonal skills communication. In addition, I created many project building website(News), Setup OS, create application, installed application. I am confident with my abilities in filling this position and response for all of give duties.

I have enclosed my curriculums vitae. As a proof for additional details that you need. And please let me share this opportunity to your company along with an interesting interview. I assure that I will do my best for a strong value in your company.

Thanks for your best consideration and a great teaching entry duly of times for reading.

I am pleased looking forward to hearing from you soon.

Your sincerely,

SOM CHHORN
